

Saint Francis Catholic School

February 19, 2008

Dear Parents:

Our thermometer is going up, up, up. We continue to gain on our goal of 100% participation. Eighty-nine (89) of our 149 school families have donated or pledged to the campaign so far. This is 60% of our families. ANY amount contributed or pledged will bring us closer to our goal. Certainly during this Lenten Season of almsgiving, a gift to the capital campaign is appropriate. There is a pig out there that needs to be kissed.

Items of importance in the upcoming week include:

- **FUNDRAISING OPPORTUNITY AND GROUP PICTURES, TOO** – Mark Houde, from CSI, our school picture company, has graciously agreed to contribute ALL PROCEEDS from our school class pictures to the gym/auditorium. His gift to the capital campaign is deeply appreciated. So, now that you have received your pictures in this folder, **please purchase the picture and send cash in a labeled envelope or check (payable to SFCS) to the school office by Friday, February 22.** Pictures are \$15.00 each, so if all students purchase one, we will receive over \$3000.00 for the gym/auditorium. You must return the picture to the school office if you do not purchase it.
- SQUIRRELS' CLUB TOMORROW - Bank in school from 7:45 – 8:15 AM!
- MUSTARD SEED – The container is still out in the parking lot. Please do what you can to help this worthy cause. They really need diapers . . . any size.
- SHOOTIN' WITH THE WOLVES begins at 6:45 PM at the Boys and Girls Club on Gum Tree Road, HHI on Friday, February 22nd. Food and drinks will be sold during the games. Those who purchased T-Shirts may wear them to school instead of their school uniform shirt.
- LIVING ROSARY - Come join us during this beautiful prayer time - 8:30 AM this Friday in the Family Center.
- HOUSEHOLD BATTERY CLEAN UP - The Town of HHI Fire & Rescue Department have asked our school to join them in Helping To Clean Up the Environment! Between now and April 1st, bring in any used household batteries -- Double A, Tripe A, C batteries, D batteries, 9 volt batteries, camera batteries and watch batteries. We have a collection box on the table in the school foyer. Thank you for participating.

God bless you,

Mike Rockers, Ed.D.
