

Saint Francis Catholic School

January 8, 2007

Dear Parents:

Here are some other items of interest:

Cross Schools intends to offer 9th grade for the 2008-2009 school year. For further information or a tour of the school, please contact Shawn Young, Director of Admissions, at 706-2000 ext. 214.

- **CAPITAL CAMPAIGN** – Thank you for your support! If you have not pledged, please do so. A parish-wide recognition/memorial program is being developed so that all who have pledged or contributed will, if they choose, have the opportunity to be recognized for their contribution. Our students are now involved in the development of the promotional materials for this program which will be finalized in January. We will also have a “thermometer” near the school sign to indicate what percentage of our parents have pledged or contributed. Our goal is 100% participation.

Sincerely in Christ

Mike Rockers, Ed.D.
