January 14, 2008

Dear Parents:

Phase II of *Our Heritage Our Hope Capital Campaign* is well underway and we are closer to our school goal of 100% participation!! Forty-five (45) of our 150 school families have donated or pledged to the campaign so far. This is 30% of our families. **Thank you for your generosity!** ANY amount contributed or pledged will bring us closer to our goal. PLEASE FILL OUT AND RETURN THE ENCLOSED PLEDGE CARD IF YOU HAVE NOT ALREADY PLEDGED OR DONATED. (Pledge forms are enclosed only to those we have not recorded as "participating.")

To make sure that we have accounted for all who have contributed or pledged, and to offer the opportunity to participate to all our families on a one-to-one basis, those families who are not verified as participating will be contacted by phone by one of the FSA Board Members beginning on February 11, 2008. Don't wait to be called to participate. PLEDGE NOW! We must lead the way so our parish knows we are committed to our children and the gym/auditorium. Remember, a small pledge over several years can buy a brick paver or courtyard granite tablet.

WHY NOT BUY A BRICK PAVER!!!

In Christ,

Mike Rockers, Ed.D.

P.S. If you received a pledge card with this THT folder BUT HAVE ALREADY PLEDGED OR DONATED, PLEASE CONTACT THE OFFICE.
